City Clerk Agenda

To: City Council <CityCouncil@CambridgeMA.GOV>; Lopez, Donna <dlopez@cambridgema.gov>;

Mayor Maher and the Honorable City Council,

Tonight you have the opportunity to move forward the proposal from Twining and Normandy Partners to rezoning their parcels to allow for the development of Mass & Main which will bring 230 units of housing of which 47 will be affordable and privately subsidized. The team has also committed to enlivening a dead and barren section of Mass Ave with local retail and no banks! This is a great opportunity to provide housing for those who live and work in Cambridge while also setting the stage for existing and new local businesses to open and grow in Central Square.

I urge you to pass the proposed zoning amendment on to a second reading so that it can be passed enabling Mass & Main to move forward providing jobs, housing and opportunity to current and future Cambridgeans,

Thank you for your consideration and service.

Charlie Marquardt
